### What is Muckle Collect?

Muckle Collect is an easy-access debt recovery solution from legal experts. Muckle Collect helps businesses of any size collect unpaid invoices in a few simple steps, for a fixed fee, through an online portal.

Our expert team has been recovering debts for 30 years and has ranked top tier in the Legal 500 UK directory for the last twelve. We're respectful of your client relationships; you can count on our personable approach to negotiating successful settlements.

### What are the benefits for you?

#### Expert assistance

Our debt recovery specialists have over 30 years' experience and are ideally placed to advise clients on their rights and remedies, and agree a debt recovery approach. Muckle Collect makes getting help easier than ever.

#### 24/7 portal access

We know there's no such thing as standard office hours, so you can log debts and track progress at a time that suits you. The free Muckle Collect online portal is available 24 hours-a-day.

#### Scalability

You can log a single debt with us for recovery or upload thousands as a batch. And with no ongoing commitment, we're here whenever you need us.

#### Transparency on price

You can choose a £50 plus VAT fixed price service (for debts under £10,000) or 'no win, no fee' approach (for debts over £1,000). And everything's agreed upfront so there are no nasty surprises.

#### Respectful recovery

Our debt recovery team has an enviable track record and, while results are important, our team take pride in acting appropriately and ethically at what is a difficult time for many organisations with a respectful, cordial approach.
